Attendance Reminders

Gates open at 8:30am.

Children can access our free Breakfast Bistro and play with their friends.

The school day begins at 9:00am.

This is when the gates are closed. Once the gates are closed, children must be brought to the main office by an accompanying adult who must inform a member of the office staff. Children must not be sent to the office alone (except children in Year 6 who have permission to walk).

Working together to build good attendance

We are delighted to see a significant improvement in attendance, with more children now coming to school regularly and, importantly, on time.

By working together to build strong attendance habits, we are reaching new heights as a school community, this consistency, alongside the wide range of activities available throughout the day, has boosted children's confidence and attitudes, allowing classes to maintain a strong pace of learning and friendships to flourish.

Good attendance not only benefits individual children, but also strengthens the whole school community, for example, classes can maintain a steady pace of learning without interruption, and friendships grow stronger as children share experiences and learn together every day.
