Reminder – Changes to School Communications

Dear Parents and Carers,

We would like to remind you that **from this week, letters that do not require a response from parents or carers will be sent via email**, rather than as paper copies.

Any letters that require a response, such as permission slips for clubs, food tasting activities or other events, will continue to be sent home in paper form.

A final test email will be sent today at 4:00pm. Please check your inbox to ensure that you have received it. If you cannot find the email, we kindly ask that you check your **junk or spam folder**, as it may have been directed there.

If you still have not received the test email, please contact the school office to confirm your email address or email us at contact@mapledeneschool.com so that we can update our records.

It is important that we have your **most up-to-date email address** to ensure that you continue to receive important information about school events, activities and other updates.

We hope this change will help make our school communications more efficient and accessible, whilst also reducing the amount of paper we use.

Please remember to check your emails regularly to ensure you do not miss any important information from school.

Thank you for your continued support.

Jonathan Hyde
