Reception – End of Day Collection Arrangements

Dear Parents and Carers

We would like to politely remind parents and carers that, if you need to speak with your child's class teacher at the end of the school day, please wait until all children have been safely dismissed before approaching them.

Our teachers' priority at home time is to ensure that every child is safely handed over to their parent or carer. Conversations during this busy time can distract staff from this important responsibility.

If your child forgets something, and needs to go back inside, please wait until all other children have been dismissed.

If you need to speak to a member of staff urgently, please visit the Main Office, where someone will be happy to assist you.

We greatly value the positive relationships we have with our families and appreciate your understanding and cooperation in helping us keep all children safe.

Thank you for your continued support
