Dear Parents and Carers,

Breakfast Bistro registration and end of day arrangements

We would like to make you aware of two changes to our school arrangements, which will come into effect from Monday.

Breakfast Bistro

From Monday, all children attending Breakfast Bistro will need to be signed in at the designated line before proceeding onto the playground to have breakfast or play with their friends.

This is a new Department for Education (DfE) requirement and is necessary for us to accurately record attendance and secure the funding that enables us to continue providing Breakfast Bistro.

We appreciate your support in ensuring that children are signed in each morning.

End-of-Day Gate Arrangements

We have also listened carefully to feedback from parents and carers regarding exiting the school site at the end of the day.

From Monday, between 3:30pm and 3:45pm, the main gates will be opened alongside the pedestrian gate to provide additional space for families leaving the school site and help make collection times smoother.

The gates will continue to close at 3:45pm, so please ensure that you have left the school site by this time unless your child is attending an after-school club.

Thank you for your continued support and cooperation.
